

TUTORIAL MODELS

SCENARIO:

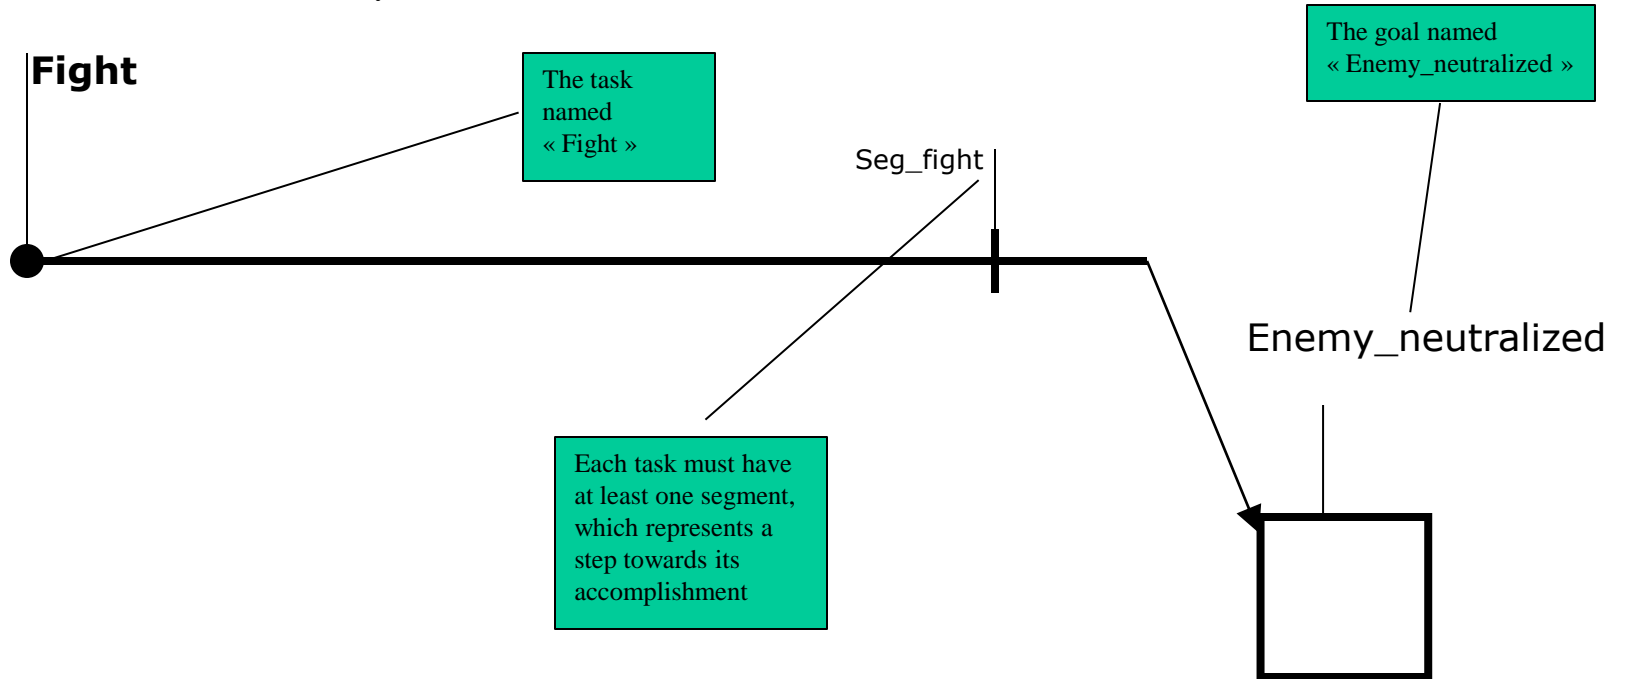

SHALIMA

Part 1: Hello World

First elements

- at least 1 character
- a location
- at least 1 goal
- at least 1 task to achieve the goal
- an initial wish to achieve a goal

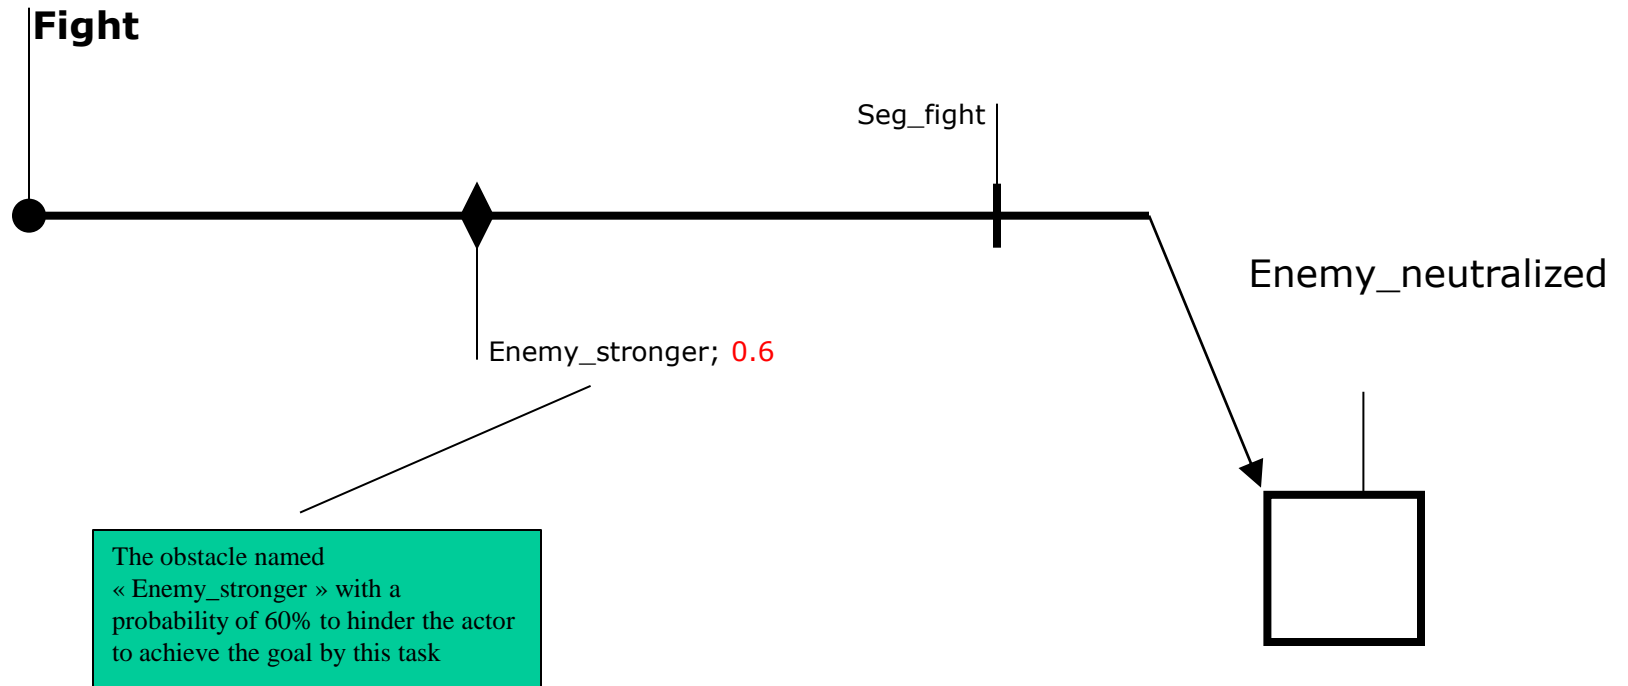

- Characters: Jack (protagonist), Peter
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy neutralized »,

Part 2: Different outcomes

Obstacles

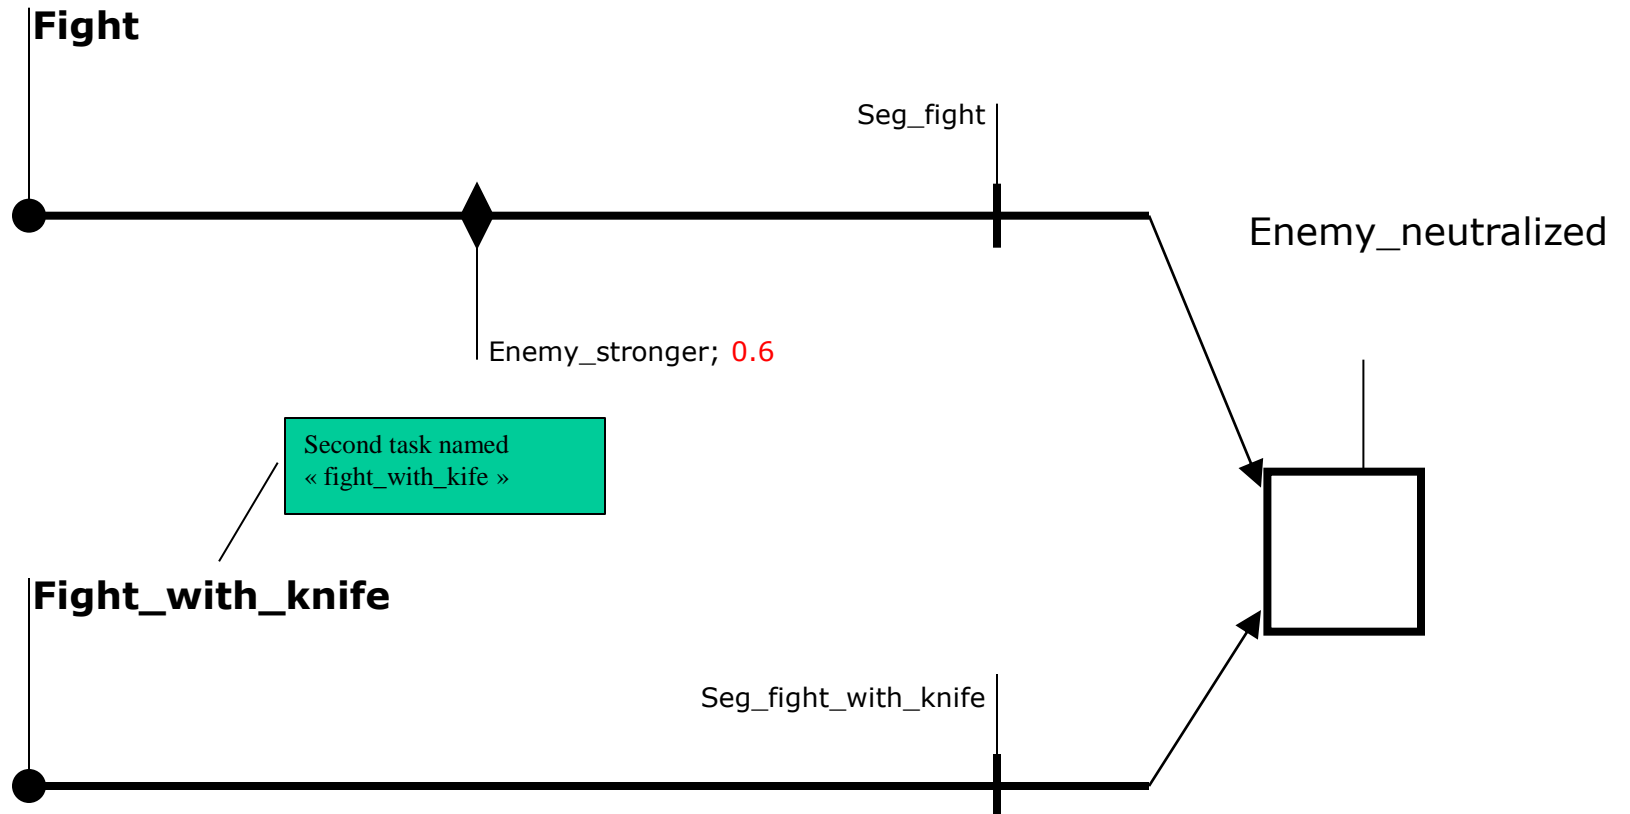

- Characters: Jack (protagonist), Peter
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy_neutralized »

Part 3: Two choices

Second task

- Characters: Jack (protagonist), Peter
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy_neutralized »

Part 4: Working with variables

Variables for characters

- Characters: Jack (protagonist), Peter
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy_neutralized[opposing_character=Peter] »

The variable « opposing_character »
is attributed to « Peter »

The variable « opposing_character »
for the tasks and for the goal

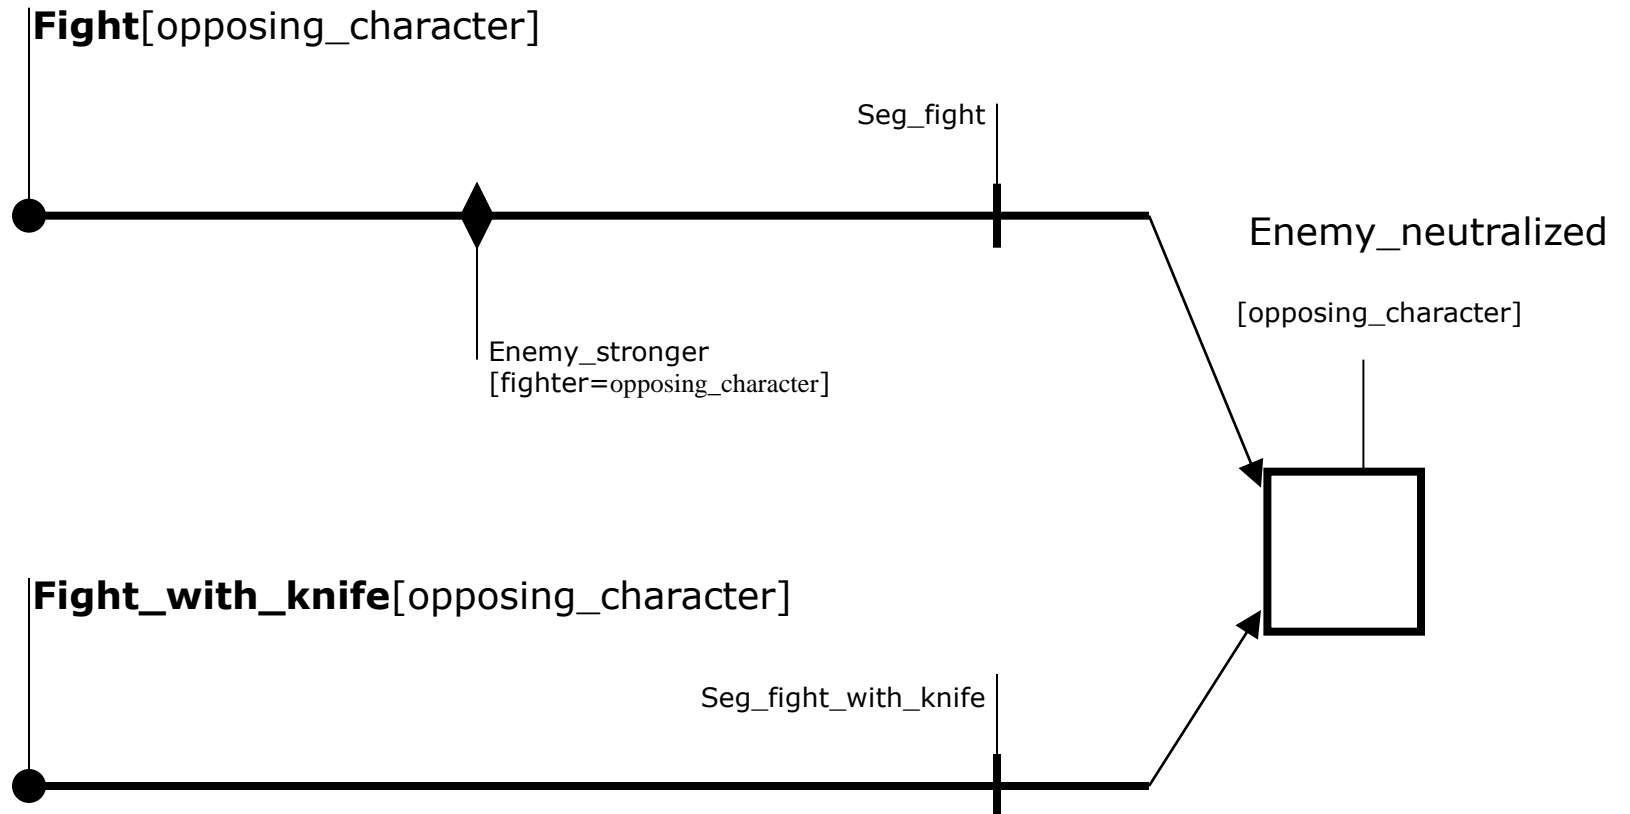

Part 5: Dialogs

More characters

Two more characters: Malcolm and Shalima

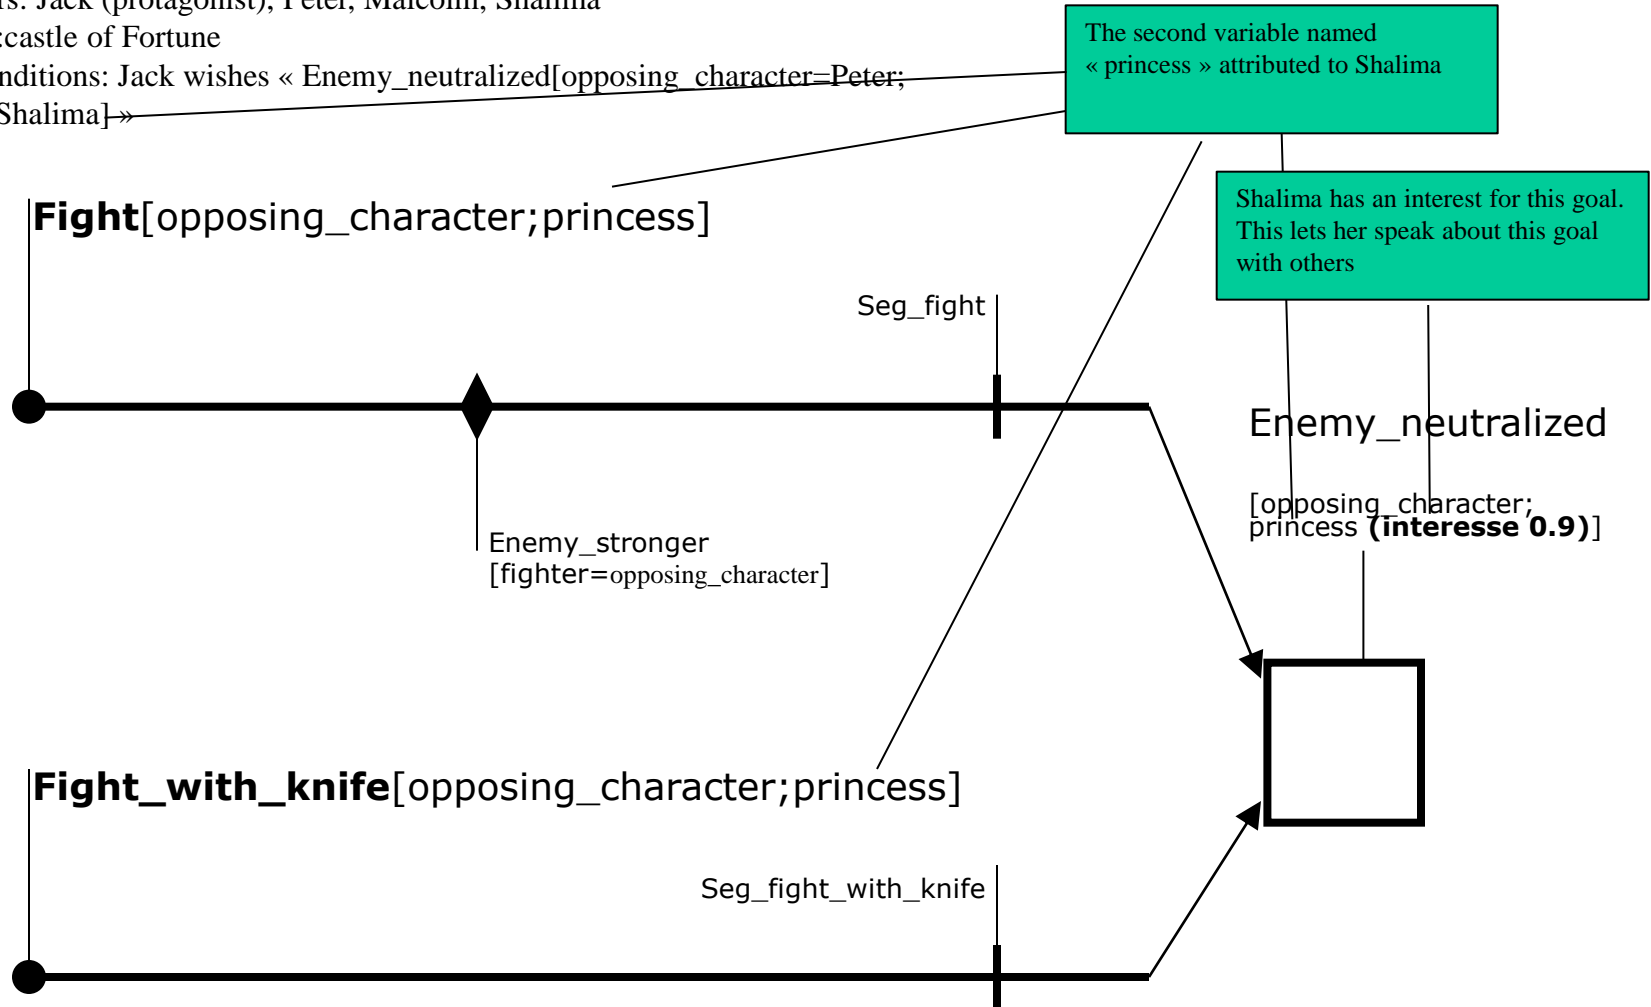

- Characters: Jack (protagonist), Peter, Malcolm, Shalima
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy_neutralized[opposing_character=Peter] »

Part 5 – b : Dialogs – make them speak

Interest

- Characters: Jack (protagonist), Peter, Malcolm, Shalima
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy_neutralized[opposing_character=Peter; princess=Shalima] »

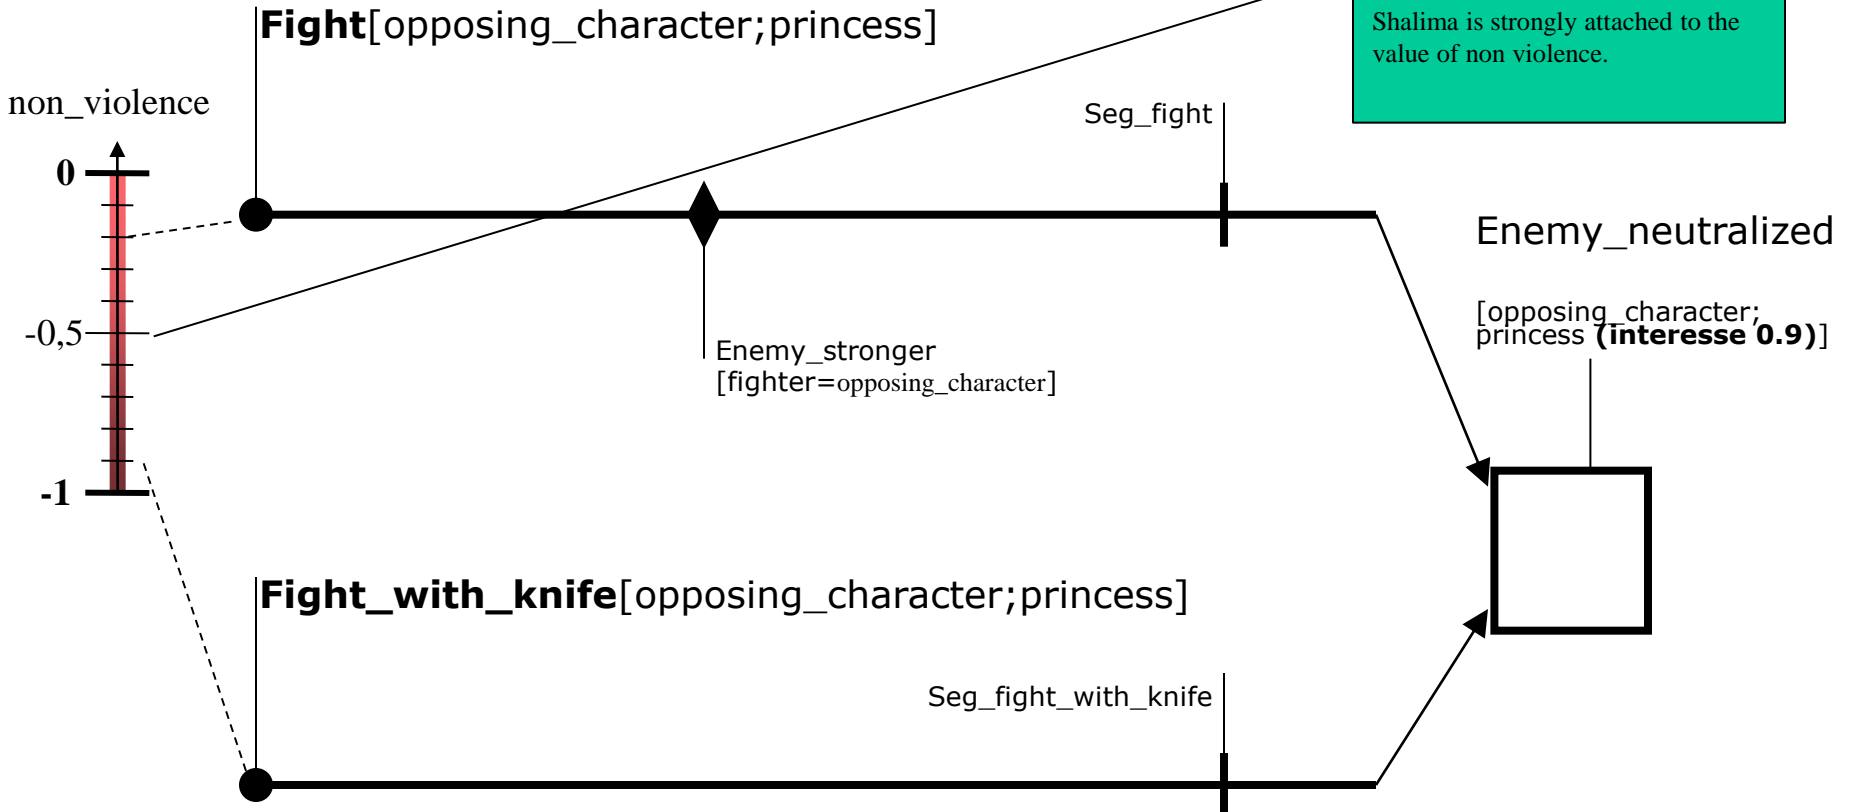

Part 5 – c : Dialogs – make them express meaning

Values

- Characters: Jack (protagonist), Peter, Malcolm, Shalima (**non violence: 0.8**)
- Location: castle of Fortune
- Initial conditions: Jack wishes « Enemy_neutralized[opposing_character=Peter; princess=Shalima] »

Tasks are badly evaluated according to the story's value "non violence"

Shalima is strongly attached to the value of non violence.

Part 6: Fight with almost everybody

Call the same goal for diff. characters

-Characters: Jack (protagonist), Peter, Malcolm, Shalima

-Location: castle of Fortune

-Initial conditions: Jack wishes « Enemy_neutralized[opposing_character=Peter, princess=Shalima] », Jack wishes « Enemy_neutralized[opposing_character=Malcolm, princess=Shalima] »

Part 7: Personalize characters

Attributes

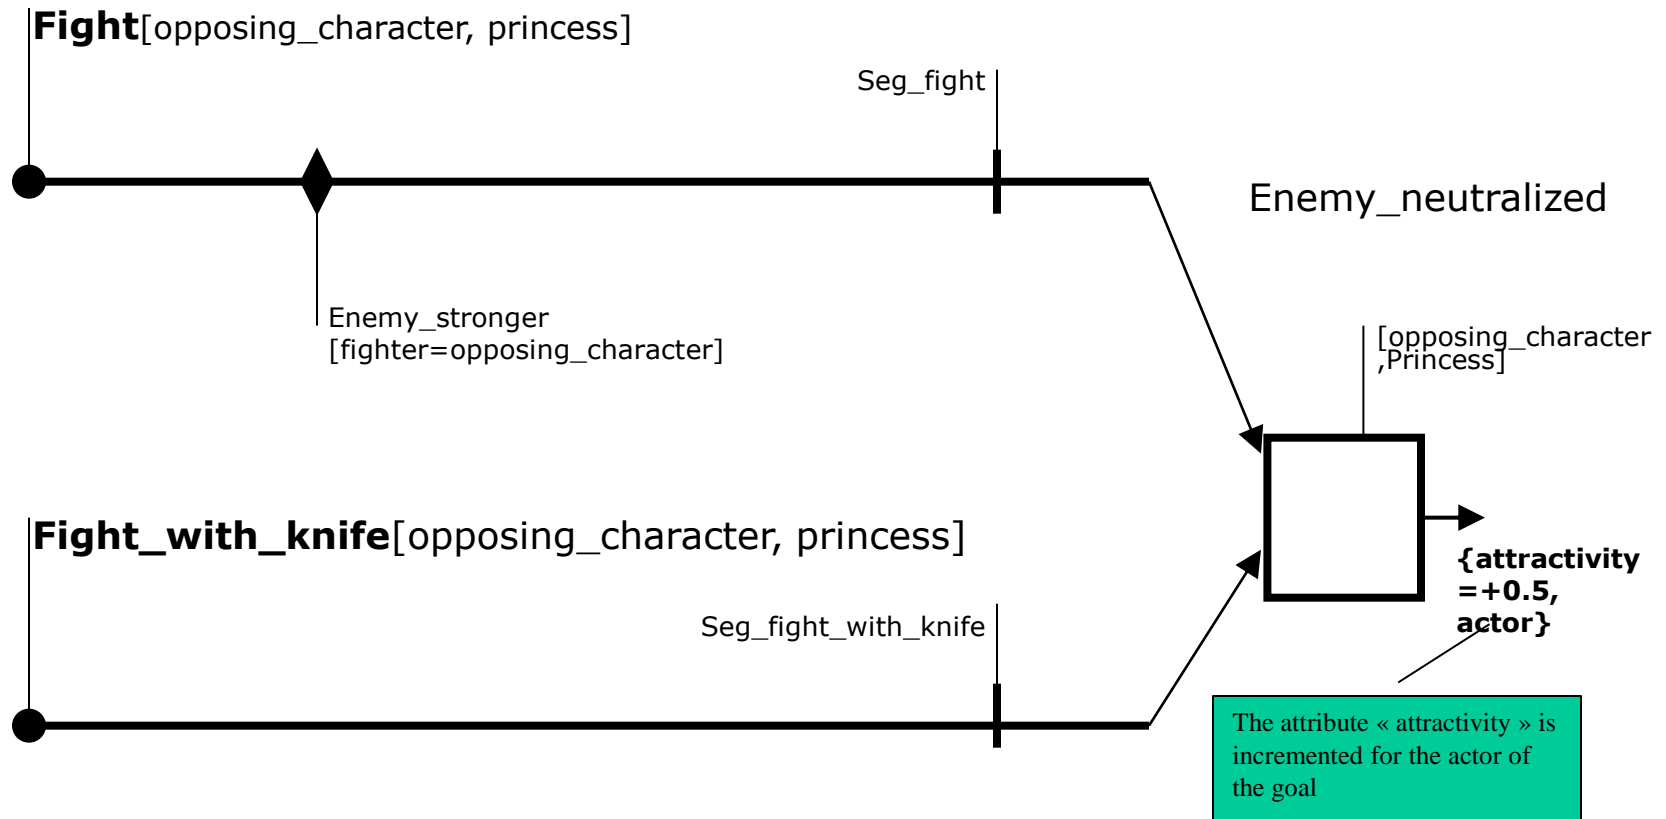

-Characters: Jack (protagonist, attractivity=0), Peter, Malcolm, Shalima

-Attribute: attractivity

-Location: castle of Fortune

-Initial conditions: Jack wishes « Enemy_neutralized[opposing_character=Peter, princess=Shalima] », Jack wishes « Enemy_neutralized[opposing_character=Malcolm, princess=Shalima] »

Attribute « attractivity »
attributed to Jack for increasing his
attractivity after fighting against
enemies

Part 8: Enrich the scenario
